Best Off-Premise Catering

Catered events of any size executed in a venue or area owned by an entity other than the catering company.

Entry name (be specific with how your event or company should appear if you are named a finalist)

Event Description   100 words

Note: This information will be used if you should be named a finalist during the Awards Ceremony.

What challenges did you face executing this event?

(Examples could include an empty space transformed, a lost delivery, rain during an outdoor event, lack of a kitchen, COVID restrictions, etc.)

Choose at least two of your favorite aspects of this event and talk about them.

(Examples could be menu development, execution of a field kitchen, how quickly you moved guests from point A to B, a particular trend you felt was executed beautifully, etc.)

Please tell us why you believe your company to be unique and worthy of this award.

This can include information about consistent and successful sales strategies, trend-forward menu design and development, food presentation, exceptional training programs that stress staff retention, year-over-year growth, heightened publicity.

Photos

Submit up to 25 images (but no less than 5) that best represent your participation in this event. More are better as it provides a full understanding of the event's scope. Please include the name of the photographer to be properly credited or whether the photos are courtesy of your company. Please remove watermarks; no photo collages accepted. Photo captions are very welcome. Please note for Product Innovation category: Submit up to 5 images that best show your product singly and/or in use. More are better as it provides a full understanding of the product's scope.

Documentation

Please provide any corresponding documentation.
